

specified weed and crop seeds upon the request of FGIS.

§ 75.22 Form of inspection certificate.

Inspection certificates shall be approved by the Director as to their form. No correction, erasure, or other change shall be made in the information on a certificate.

§ 75.23 Issuance of inspection certificate.

After an inspection has been completed, an inspection certificate shall be issued showing the results of the inspection in accordance with paragraph (a) or (b) of this section.

(a) *Lot inspection certificate.* A lot inspection certificate shall be issued to include the name of the inspector sampling and sealing the seed lot, the analysis results from testing the sample, the identifying mark or number which has been approved by the inspector to appear on each container in the seed lot, and any other factual information pertinent to the inspection.

(b) *Sample inspection certificate.* A sample inspection certificate shall be issued to show the results of the inspection of a sample of seed or grain submitted by an interested party. Each sample inspection certificate shall state the results of the inspection that applies only to the sample described in the certificate.

(c) *General authorization to issue certificates.* Certificates for inspections may be issued by any inspector authorized by the Director to perform the inspection covered by the certificate.

(d) *Name requirements.* The name and signature of the person who issued the inspection certificate shall be shown on the certificate. The original certificate must be signed, and the signature or a stamped facsimile shall be shown on each copy.

§ 75.24 Disposition of inspection certificate.

Upon issuance, the original and one copy of each inspection certificate shall be delivered or mailed to the applicant or otherwise delivered or mailed in accordance with the applicant's instructions. One copy of each inspection certificate shall be filed in the Federal Seed Laboratory. In case of

a lost or destroyed certificate, a duplicate thereof labeled as such may be issued under the same number, date, and name.

§ 75.25 Issuance of corrected certificate.

(a) If any error is made in an inspection, a corrected inspection certificate may be issued.

(b) The original and copies of the corrected certificate shall be issued as promptly as possible to the same interested persons who received the incorrect certificate.

(c) The corrected certificate shall supersede the incorrect inspection certificate previously issued. The corrected certificate shall clearly identify, by certificate number and date, the incorrect certificate which it supersedes.

(d) The original and all copies of the superseded incorrect certificate shall be obtained by the Director, if possible. If it is not possible to obtain the original and all copies of the superseded certificate, to the extent possible, all parties involved will be notified to prevent misuse of the superseded certificate and the corrected certificate so marked as to the outstanding certificate.

APPEAL INSPECTION

§ 75.26 When appeal inspection may be requested.

A request for an appeal inspection may be made by any interested party regarding the results of an inspection as stated on an inspection certificate. Such request shall be made within thirty (30) days following the day on which an inspection certificate was issued.

§ 75.27 How to file an appeal.

Any request for an appeal inspection may be made orally or in writing to the Federal Seed Laboratory. If made orally, written confirmation is required. The applicant shall clearly state the reasons for requesting the appeal service. The original and all available copies of the certificate shall be returned to the appeal inspector assigned to make the appeal inspection.
